**(PROHIBITION OF DRIVING) ORDER 202\***

**STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER**

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to introduce a permanent Order the effect of which will be to introduce a prohibition of driving on Old Farm Road from its junction with Warner's Lane southwards for a distance of 5 metres.

In August 1998, Chichester District Council granted planning permission for a residential development (now known as Spinney Close) off Old Farm Road. A planning condition was applied that lockable bollards be installed at the junction of Old Farm Road with Warner's Lane "In the interests of highway safety".

In recent years some of the bollards have been damaged and/or removed so that it is now possible for vehicles to be driven past the remaining ones. This has been brought to the attention of WSCC officers by numerous residents of Old Farm Road and Spinney Close. Warner's Lane is a privately maintained road that provides access to a large leisure park where commercial vehicles are not permitted. Concerns have been raised by local residents that the missing bollards encourage the parking of commercial vehicles in residential roads and the potential use of Old Farm Road by through traffic

It is proposed to introduce a prohibition of driving over a short length of Old Farm Road, immediately south of its junction with Warner's Lane. This will allow reinstatement of sufficient bollards, including lockable ones to maintain emergency access.

Drawing number CHS8032 Old Farm Road: Proposed Prohibition of Driving (29.10.2021).

This Order is proposed for avoiding danger to persons or other traffic using the road and for facilitating the passage on the road of pedestrians.
