**(Lancing: Coombes Road and Various Roads) (30 MPH Speed Limit) and (Traffic Regulation) Order 2022**

NOTICE is hereby given that West Sussex County Council proposes to make a permanent Traffic regulation Order under the provisions of the Road Traffic Regulation Act 1984, the effect of which will be to introduce 30 MPH speed limits on the following roads in Lancing:

**Combes Road** – from a point 60m south of its junction with The Drive, northwards for a distance of 120m; and

**Sussex Pad Access Road/The Drive** - from its junction with Coombes Road, westwards to the (to be constructed) roundabout at its junction with the A27; and

**New Link Road to New Monks Farm Development** – from the (to be constructed) roundabout at its junction with the A27 and The Drive, southwards to the roundabout at its junction with the Old Shoreham Road Link Road.

The Order also introduces a new prohibition of driving on **Coombes Road** from a point 60m south of its junction with The Drive, to its current junction with the A27, and on **Old Shoreham Road**, from its junction with the Old Shoreham Road Link Road, northwards to its current junction with the A27.

These restrictions reflect the new road layout due to be constructed at the junctions of the A27 with The Drive, Coombes Road and Old Shoreham Road as part of the New Monks Farm development.

**West Sussex County Council**  
**(Lancing: Coombes Road and Various Roads) (30 MPH Speed Limit) and (Traffic Regulation) Order 2022**

**Statement of Reasons for Proposing to Make the Order**

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will introduce 30 MPH speed limits on the following roads in Lancing:

**Combes Road** – from a point 60m south of its junction with Sussex Pad Access Road/The Drive, northwards for a distance of 120m; and  
**Sussex Pad Access Road/The Drive** - from its junction with Coombes Road, westwards to the (to be constructed) roundabout at its junction with the A27; and  
**New Link Road to New Monks Farm Development** – from the (to be constructed) roundabout at its junction with the A27 and The Drive, southwards to the roundabout at its junction with the Old Shoreham Road Link Road.

The Order also introduces a new prohibition of driving on **Coombes Road** from a point 60m south of its junction with The Drive, to its current junction with the A27, and on **Old Shoreham Road**, from its junction with the Old Shoreham Road Link Road, northwards to its current junction with the A27.

Planning permission has been granted for a new development at New Monks Farm in Lancing, which is presently under construction. The development will be accessed via a new roundabout which will be constructed on the A27, west of the current traffic lights at its junction with Coombes Road and Old Shoreham Road. The current traffic light junction will be closed, and new link roads constructed to provide access to Coombes Road and Old Shoreham Road from the new roundabout.

The proposed TRO enacts new 30 mph speed limits on the new link road between the A27 and Coombes Road. This new road will also provide access to the Sussex Pad restaurant and a 30 mph speed limit is considered appropriate to maintain safety on the new road. This speed limit also extends a short distance into Coombes Road to maintain safety at the new junction layout.

The prohibition of driving restrictions are needed to enact the closure of the current junctions of Coombes Road and Old Shoreham Road with the A27. Access to these roads will be maintained via new link roads as described above.

The new order is therefore proposed to avoid danger to persons or other traffic using the affected lengths of road.

The attached drawing, titled New Monks Farm Proposed Speed Limits shows the speed limits associated with this proposal. The attached drawing, titled New Monks Farm S278 Side Road Order shows the proposed prohibition of Driving Restrictions.
