West Sussex County Council
(Findon: Long Furlong (A280)) (40 MPH Speed Limit) Order 2023

Statement of Reasons for Proposing to Make the Order

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will introduce a 40 MPH speed limit on Long Furlong (A280) in Findon, from a point 30m west of its junction with the A24, westwards and southwards to a point 50m south of its junction with Tolmare Farm Road.

The county council has received an application from local residents requesting a reduction on the speed limit on the eastern section of Long Furlong, citing the changes in elevation and sharp bends on this length of road and raising concern about the number of road traffic accidents on the road in recent years.

The road has been assessed against the West Sussex County Council Speed Limit Policy, which supports the installation of a new 40 MPH speed limit to reflect the nature of this length of road and improve safety.

The new order is therefore proposed to avoid danger to persons or other traffic using the affected lengths of road.

The attached drawing, numbered JEA2201 shows the lengths of roads affected by the proposed order.
