WEST SUSSEX COUNTY COUNCIL
(OVING: TANGMERE ROAD)
(40MPH SPEED LIMIT) ORDER 202*

Statement Of Reasons For Proposing To Make The Order

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to make a permanent Order the effect of which will be to extend the 40mph speed limit on Tangmere Road east of Drayton Lane eastwards 1.67km to Tangmere village

The section of Tangmere Road east of Drayton Lane is currently de-restricted and subject to a 60mph speed limit. The Parish Council and local community have raised concerns about the speed of vehicles entering the village and requested the 40mph speed limit be extended.

The route has been assessed as being suitable for a 40mph speed limit on the approach to Tangmere village. The reduced speed limit aims to provide sufficient slowing down distance for drivers approaching the sharp lefthand bend. Additionally, a new bus stop has been located on the road increasing the numbers of vulnerable road users.

This Order is proposed so as to reduce danger to persons or other traffic using the road or to minimise the likelihood of any such danger arising, for facilitating the safe passage on the road of any class of traffic (including pedestrians) and for preserving or improving the amenities of the area through which the road runs.

Drawing CHI2309 Oving – Tangmere Road proposed speed limits (30.11.2023) shows the length of road, which is the subject of the proposed order.
