West Sussex County Council
(Aldingbourne: Hook Lane) (30 MPH Speed Limit) Order 2024

Statement of Reasons for Proposing to Make the Order

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will introduce a 30 MPH speed limit throughout the entire length of Hook Lane in Aldingbourne.

Hook Lane is a narrow road which has bends with limited visibility, several accesses to residential and agricultural premises and no footways. It presently has a 30 MPH speed limit at the eastern end of the road, but the remaining section is de-restricted. An application has been received to extend the 30 MPH speed limit throughout the whole road due to concerns about the safety of vulnerable road users such as pedestrians and cyclists. The road has been reviewed against the criteria of the recently revised West Sussex County Council Speed Limit Policy and found to be compliant with a 30 MPH speed limit throughout its entire length.

The new order is therefore proposed to avoid danger to persons or other traffic using the affected lengths of road.

The attached drawing, numbered ARN2305 shows the length of road affected by the proposed order.
